Outfits & Launchers

Outfits and Starter Sets include almost everything needed by a beginner: rocket kit, launcher, engines, flight supplies and instruction pamphlets. Just add the proper battery, a few common modeling tools and you're on your way! Centuri offers bargain-priced outfits, costing less than buying components separately.

Model rockets are launched only from remotely-controlled electrical systems, such as the Centuri "Powr-Pad" (included in most outfits, and available separately).

Launch Rod guides rocket.

Carrying Handle & controller storage.

Igniter Leads

Battery (not included) for power & sturdy base

Tilter adjusts for breezes

Controller includes safety key, launch switch & check light.

Over 50 Kits

HERE ARE JUST A FEW...

Beginner Kits ● Hi-Altitude Birds ● Military Missiles ● Scale Models ● Jet Fighters ● Boost Gliders ● Space Ships ● Multi-Stage Rockets ● Payload Carriers ●
